### **Jupiters Hotel & Casino Embraces the Aussie Spirit this Australia Day**

Jupiters Hotel & Casino will proudly fly the flag this Australia Day long weekend with a host of ways to get behind our country's big day including Australian-made live entertainment, tempting food and beverage offerings and the non-stop action of the city's only Casino.

Live entertainment will kick off at 3pm on Sunday January 26 with *Signature Duo* covering iconic Aussie hits in the Atrium Bar, before The PA Pub transforms into Australia Day central.

For the ultimate celebration of the Aussie spirit, release your 'inner bogan' with Bogan Bingo - a night of interactive comedy, bingo with a twist and of course a bit of air guitar - in The PA Pub from 8pm for just \$10. Local band *Mr Perkins* will then keep the good times rolling until late.

Not only is The PA Pub serving up a night of non-stop entertainment, the venue is also proudly embracing the true Australian appetite with a traditional Aussie-sized meal for a fair price.

Indulge in an Angus T-Bone with a Fried Egg, Chips, Coleslaw and a Mushroom Sauce, and a Lamington with Cream, Chocolate Sauce and Fresh Strawberries for just \$19.90, or \$24.90 with a selected local Australian beer. Available Sunday January 26 and Monday January 27 from 5.30pm-8pm.

Food Fantasy has your all-you-can-eat cravings covered with a special prawn buffet for lunch and a full seafood feast for dinner featuring Australian treats including assorted meat pies, your BBQ favourites, braised lamb shanks, traditional lamingtons with white chocolate, Anzac biscuits, macadamia nut tarts and damper.
